Case No. CV-08-00938JL

**STIPULATION TO CONTINUE CASE
MANAGEMENT CONFERENCE AND
~~PROPOSED~~ ORDER**

Complaint Filed: 2/14/2008
Trial Date: None Set

17 Plaintiff Ronnie Jones and Melecio Arciosa (“Plaintiffs”) and Defendants Foresight
18 Management Services LLC (“FMS”) and Jeremy Grimes (jointly “Defendants”) (collectively
19 referred to as the “Parties”), by and through their counsel of record, hereby stipulate and agree to
20 the following:

21 1. At the case management conference held on May 21, 2008, Judge Larson
22 set a further case management conference for October 1, 2008, to follow the parties’ settlement
23 conference with Judge Wayne Brazil.

24 2. On August 21, 2008, the parties attended a settlement conference with
25 Judge Wayne Brazil. The parties did not settle the case at that time.

26 3. On September 29, 2008, Judge Larson continued the case management
27 conference to December 17, 2008, in light of the parties’ planned further settlement conference

¹ with Judge Brazil on November 18, 2008.

2 4. On November 18, 2008, the parties attended a further settlement
3 conference with Judge Brazil. While the parties made progress, they did not settle the case.

4 5. The parties agreed to perform data collection and analysis in preparation
5 for a further settlement conference with Judge Brazil, to be held December 15, 2008, before the
6 case management conference on December 17, 2008.

7 6. The collection of data has proven to be a timely process, and accordingly,
8 the parties wish to continue the settlement conference to early January 2009.

9 7. The parties believe a continuance of the case management conference until
10 after the further settlement conference will make for a more meaningful case management
11 conference.

12 8. The parties request Court approval to continue the case management
13 conference to January 28, 2009, at 10:30 a.m.

14 Thereby, the parties respectfully request a continuance of the case management
15 conference to January 28, 2009 at 10:30 a.m.

17 Respectfully Submitted,
